

Miscoe Hill School Enrichment Program 2014-2015
Session One: September 29 – November 14
2:45 – 3:45

1. A+ Study Skills - If you have ever struggled to get good grades, or are simply new to middle school and want to do your best, then you need to take this class! Each week students will receive personal attention and will learn strategies to help them be more successful in school. Topics include: Setting Goals, Getting and Staying Organized, Managing Your Time, Learning How to Learn, Test-Taking Strategies, Understanding Grading, Interacting With Teachers, and more! Students and parents will receive helpful information each week that will help to make your middle school experience even better!

Grades 5 – 8 Thursday Miss Holloway Room 234 \$50.00

2. Adventure Seekers - This club is for the adventure seeker in all of us that enjoys tabletop and role playing gaming in a friendly, fun and competitive atmosphere. We have played Zombie Dice, Small World, Fluxx, Tsuru, Vanguard, Bananagrams, Settlers of Catan, Key To The Kingdom, Boss Monster, Zombie Kidz and some students have even created their own original games! This is a great club to make new friends and learn a few games while doing so.

Grades 5 – 8 Thursday Mr. Hansen Room 313 \$50.00

3. Art Club 5 & 6 – Calling all art lovers! Want to try new and different art activities that will feed your creativity? This is your chance to try new things in an unhurried and unrushed after school setting. Most activities will evolve based on the interests of club members. Possibilities include animation, crafts, clay, murals, origami, Manga, mosaics, outdoor art, marbling, and large art projects that will be enjoyed by the whole school. New members and returning members are welcome!

Grades 5 & 6 Wednesday Mrs. Gentili Room 317 \$50.00

4. Art Club 7 & 8 - Art Club is open to all students that have an appreciation of Art and want to learn some new skills and techniques in varied lessons and materials. Typically we will create work using paint, markers, pencils, clay, found objects and more. This class is great for anyone that wants to try new things in Art that we can't fit into the school year! Bring your own ideas and we'll see if we can include them in this session.

Grades 7 & 8 Wednesday Mr. Hansen Room 313 \$50.00

5. Babysitting - This course is designed to teach interested students how to become safe, responsible and fun babysitters. The class will emphasize the importance of being caring and respectful when dealing with children. Students will learn basic infant/child care and development, as well as, safety and first aid. CPR will also be covered. Students will receive a certificate at the end.

Grades 5 – 8 Monday Mrs. Checkoway Room 103 \$45.00

6. Chess Club - Learn to play chess and you will develop skills such as using strategies to trick an opponent into making a mistake so you can capture their chess pieces and ultimately win the game! Chess will challenge you to think and plan ahead when playing against an opponent. Playing chess is also a great way to develop patience and concentration, which will help you with schoolwork, video games, sports, and life!

Grades 5 – 8 Wednesday Mr. Guglietti Room 225 \$50.00

7. Crazy for Cupcakes: Halloween Edition! - It's creepy, it's kooky, it's Halloween Cupcakes! In this special one-time only class, students will bring in one dozen of their favorite unfrosted cupcakes from home for some Spooktacular decorating! Using frosting and a variety of candies, we'll create some irresistible treats that will not only amaze your friends, but are perfect for Halloween! *All participants **must** bring in one dozen unfrosted cupcakes the day of the class. (Cupcakes may be sent to room 234 that morning for safe keeping.)

Grades 5-8 Monday, October 27th ONLY Miss Holloway Room 234 \$16.00

8. Debate League - We'll use debate as a regular part of Miscoe students' classroom practice. Debate will change the lives of a few individual students and also transforms the academic culture of entire school and the district itself. Students will use debate to transform the academic atmosphere and expectations in our classrooms!

Grades 6 –8 Wednesday Mr. Guillen Room 301 \$45.00

9. Flat Clay! What Did You Say? - This clay class will focus on all the amazing possibilities of "flat clay". We will use clay slabs to make projects including ornaments, bowls, plaques, mugs, and containers. We will glaze the clay and fire it in our kiln for fabulous finished products. This class is open to all students, no clay experience necessary!

Grades 5 –8 Tuesday Mrs. Gentili Room 317 \$50.00

10. Hip Hop Class - In this program we will have a ton of fun covering different aspects of HipHop including where it came from, the music, and why it's popular. The group will be taught an appropriate choreography routine. HipHop is a very relaxed genre of dance. For some it's an outlet from the other styles of dance or a way to burn off the negative vibes of our demanding lives. For others it's a fabulous way to exercise and strengthen their core. It's all for the fun of it!

Grades 5 –8 Friday Ms. Hagan Gym \$45.00

11. Science Club – If you love all things science or STEM then this club is for you! Possible activities include engineering and building structures, chemistry labs, forensic mysteries, and even dissection classes! Science Club will be offered every session of enrichment, so it is more like a year-long club. New and returning members are always welcome! Come and join the fun!

Grades 5 – 8 Tuesday Miss Holloway Room 234 \$50.00
