

5/6 Art Club w/Mrs. Gentili

Wednesdays 2:45 - 3:45

5/6 Art club is a project-centered “Maker Space” where young artists use their after school time to work on art-based projects such as drawing, painting, sculpture, 3D design & printing, construction, and deconstruction.

Participants are expected to commit to a seven-week program that follows the Enrichment calendar. The first session begins on September 30. The 5/6 Art Club runs separately from the Enrichment program. Art Club is free of cost, but a \$5 donation toward supplies is greatly appreciated. Please fill in the registration below and attach either \$5 cash or a check made out to MURSD if you wish to donate toward materials. Ask your child to deliver the registration to his/her homeroom teacher or directly to me. Registration for session one ends on 9/25.

Student Name _____ Homeroom teacher _____

Parent/Guardian Name _____

Phone number from 2:45 – 3:45 on Wednesdays _____ or - _____

Email address: _____ Materials donation ____ yes ____ no

At the end of each class students will be sent to the lobby for pick up at exactly 3:45.
